This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners’ meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the March 2015 series for most Cambridge IGCSE® components.

© IGCSE is the registered trademark of Cambridge International Examinations.
Note 1: All Examiners are instructed that alternative correct answers and unexpected approaches in candidates’ scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated. Nonetheless, the content must be clearly related to and derived from the passage.

Note 2: Words underlined in the answers to the questions are required for the full mark(s) to be awarded.

1. This question tests Reading Objectives R1–R4 (20 marks):

   R1 demonstrate understanding of explicit meanings
   R2 demonstrate understanding of implicit meanings and attitudes
   R3 analyse, evaluate and develop facts, ideas and opinions
   R4 demonstrate understanding of how writers achieve effects

Paraphrase of chosen phrase = 0 for explanation. Explanation must also be predominantly in candidate’s own words.

[Total: 20]
Imagine that you are Bresciano from Passage A and have now arrived in Tangier. Write a letter to your father in Gibraltar.

In your letter you should:
- describe your journey
- say what you did when you first arrived in Tangier
- state your plans for the rest of your time in Morocco.

Base your letter on what you have read in Passage A, but do not copy from it.

Be careful to use your own words. Address each of the three bullet points.

Begin your letter: ‘Dear Father…’.
Write about 200 to 300 words.

Up to 10 marks are available for the content of your answer, and up to 5 marks for the quality of your writing.

General notes

The most successful responses are likely to show a clear appreciation of the details of the journey, including the conversation with Lempriere. There will be convincing and developed consideration of Bresciano’s concerns about his sister, his plans to meet with Abraham and some attempt to describe Tangier and his impressions of it. Less successful responses are likely to lift sections of the original and do little more than repeat details that are already there or concentrate on repeating details from the passage without providing convincing or appropriate development.

Look for and credit an attempt to write in an appropriate register.

**Table A, READING: Using and understanding the material**

Use the following table to give a mark out of 10 for Reading.

<table>
<thead>
<tr>
<th>Band</th>
<th>Mark</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Band 1</td>
<td>9–10</td>
<td>Uses and develops several ideas, both factual and inferential, from the passage. There will be a clear understanding of the voyage, Bresciano's impressions of Tangier and convincing and appropriate development of his intentions while in Morocco.</td>
</tr>
<tr>
<td>Band 2</td>
<td>7–8</td>
<td>Refers to several details from the passage and shows some understanding of the voyage, and of Bresciano's impressions of Tangier. There is an attempt to produce development of his intentions while in Morocco.</td>
</tr>
<tr>
<td>Band 3</td>
<td>5–6</td>
<td>Repeats some details from the passage about the voyage. Shows incomplete understanding of what Bresciano thought about Tangier and either omits reference to, or makes unconvincing suggestions as to his intentions while in Morocco.</td>
</tr>
<tr>
<td>Band 4</td>
<td>3–4</td>
<td>There is some relevance to the question with a tendency to retell the passage rather than focus on the requirements of the question. Is likely to contain much repeated detail from the passage with little relation to the requirements of the question.</td>
</tr>
<tr>
<td>Band 5</td>
<td>1–2</td>
<td>May retell the passage or give occasional relevant details. There may be examples of misunderstanding or lack of clarity in attempting to use the passage.</td>
</tr>
<tr>
<td>Band 6</td>
<td>0</td>
<td>Very little/no relevance. General misunderstanding of task and passage.</td>

<td>4</td>
<td>Sentences are correct, though relatively simple. Vocabulary is adequate and correctly used. Structure is generally sound. Some of the register is appropriate.</td>
</tr>
<tr>
<td>Band 3</td>
<td>3</td>
<td>Sentence structures and vocabulary are simple, but meaning is never in doubt. The order is reasonable. There may be an attempt at an appropriate register but it is inconsistent.</td>

<tr>
<td>Band 4</td>
<td>2</td>
<td>The response is very simply written and there are occasional examples of blurred meaning. The structure can usually be followed. The response may be over-dependent on lifted material.</td>
</tr>
<tr>
<td>Band 5</td>
<td>1</td>
<td>The response is difficult to understand. The response may be almost entirely lifted from the original.</td>

(a) Notes

What do you learn about the architect’s plans for the bridge over the Gibraltar Straits and the main features of its design, according to Passage B?

Write your answers using short notes. Write one point per line.

You do not need to use your own words.

Up to 10 marks are available for the content of your answer. [10]

(b) Summary

Now use your notes to write a summary of what Passage B tells you about the architect’s plans for the bridge over the Gibraltar Straits and the main features of its design.

You must use continuous writing (not note form) and use your own words as far as possible.

Your summary should include all 10 of your points in Question 3(a) and must be 100 to 150 words.

Up to 5 marks are available for the quality of your writing. [5]
Reading content for Question 3(a)

Give 1 mark per point listed below, up to a maximum of 10.

1. Designed by Eugene Tsui
2. Longest bridge in the world

4. Involves both conventional bridge and underwater tunnels (N.B. Do not allow statements that the bridge 'floats' without evidence of further understanding.)
5. Man-made island in the middle will be created
6. About 14.5 km in length
7. Has ecological features – windmills/underwater turbines/wind and water power farm
8. This will provide power for (12 billion kilowatts) for the mainland

Note: Although lifting of words and phrases from the passage is acceptable it is important that in such cases candidates show evidence of understanding by clearly focusing on the key details; over-lengthy lifting which does not identify specific points should not be rewarded. Credit responses which attempt to use own words and convey the essence of the point.
Marking criteria for Question 3(b)

Table A, Writing (concision, focus, use of own words)
